<p>What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?</p>	<p>The Parking and Transportation (P&T) Committee meets 6 months out of the year (3 Meetings in Fall and Spring Semesters). Our meetings run 90 minutes and we typically send out information that might add on an extra 30 minutes outside of the meeting. As a new member, it is preferred that you do a little more reading just to get familiar with your charter. This includes reading meeting minutes from previous years, reviewing the charter, and educating yourself about the P&T Department at the University. Your experiences on campus and the information given at meetings typically cover all you</p>

	<p>need to know but often there are terms you need to better familiarize yourself with, to fully understand it. Overall, it is a great opportunity to learn about the different aspects in the P&T world here at the University and gives members a chance to truly share your insights and knowledge to make a positive difference here.</p>
<p>Does your committee have a website? If so, what is the URL?</p>	<p><i>Parking & Transportation Site:</i> https://transportation.uiowa.edu/about/parking-and-transportation-charter-committee <i>Charter Committees Site:</i> https://president.uiowa.edu/parking-and-transportation-committee</p>
<p>Are agendas and minutes for your committee preserved from year to year and made available to new chairs and committee members? If so, what is your process for doing this?</p>	<p>Carrie Brus in Parking & Transportation records and saves all official meeting minutes and agendas for each meeting. These are stored on the two sites listed above. You can also read the Annual Reports there as well.</p>
